

NSHx180F (Development Code)

◆ Features

High Power UV-LED
 using Hermetic sealed Package and Inorganic Materials.

- | | |
|-------------------|--------------------------|
| ● Drive Current | : $I_f=500\text{mA}$ |
| ● Color | : UV |
| ● Life Estimation | : 100,000hours |
| ● $R_{th(j-c)}$ | : $< 15^\circ\text{C/W}$ |
| ● Package Design | : SMD(2.3mm*10mm*10mm) |

◆ Outline dimensions

Dimensions

10.0(length)*10.0(width)*2.3(height)

◆ Applications

Industrial equipments, Analyzer, Medical,
 General Lighting, Automotive

The appearance and specifications of the product are subject to change without notice.
